

## NORA SELF HALL HAS BIRTHDAY

This week marks the fifth anniversary of the school cafeteria, Nora Self hall.

The construction of this building began in February 1934 was completed June 13, 1935, and was opened for use November tenth, of that year.

The structure was designed by D. W. Hilborn of Vancouver, and was made possible by the W. P. A.

During these five years Mrs. Manie Beauchamp has managed the kitchen and meals for satisfy. There are at present eight N. Y. A. students, who work with her; Joyce Burns Helen Hinz, Ruth Resner, Margaret McHone, Inez Hays, Betty Barber, Ada May Kimbell, and Leona Ronchette.

During its five years of service the cafeteria has answered many needs in the community. Not only does it serve as a cafeteria for the students, but is a popular meeting place for many social affairs. Of the many activities held in the hall are the Junior dances and school parties, Girl and Boy Scouts, Girl Mariners, dancing classes, band and orchestra practice, Campfire girls; Spartan Guard and Spartanette, Boys' Federation, Girls' League. The towns-people have various meetings, such as Kiwanis, 'Lions' Club, union meetings; Moose Lodge, P. T. A. B. P. W., and also the Canas-Washougal teachers unit. These are but a few of the groups, which use the hall yearly.

The cafeteria was built for the use of students bringing their lunches and others likewise to have hot soup and milk to supplements lunches brought from home.

The milk, vegetables and any other food supplied are bought from our local places of business.

Ruth Brown and Faye Rietz act as cashiers, the sales

amounting to an average of \$9.00 a day.

Approximately 175 students from Central School, and 165 in Junior and Senior High School use the cafeteria each noon.

An average meal there is very cheap in price, food being served on a non-profit basis. The soup, sandwiches, and dessert are five cents; milk is three cents; and cookies and fruit one cent.

The average number of sandwiches consumed daily is 50 and the yearly rate is around 10,800.

The average number of bowls of soup is 75, and the yearly rate ranging near 13,940.

-C-

Mr. Kenrick recommends that girls take up knitting. He says that they will then have something to think about while they talk.
